

# **Community and Social Services**

## **Affordable Housing**

### **2018 Budget Briefing Note**

#### **Description**

Housing Services operates within the Community and Social Services department (CSSD). CSSD is overseen by the Community and Protective Services Committee, with the exception of Affordable Housing which is overseen by the Planning Committee. For a complete description of the CSSD/Housing Services, see the Community and Protective Services Committee Draft Budget.

#### **Programs/Services Offered**

- Administration, delivery and monitoring of the development of new affordable housing programs (Action Ottawa, Canada/Ontario Affordable Housing Program, Investing in Affordable Housing Program) to invest in the creation of low-income affordable and/or supportive housing
- Administration, delivery and monitoring of the Ontario Renovates Programs
- Oversees the administration and monitoring of completed affordable housing communities with local housing providers
