RE: additional information to be included in my candidate filing

On April 21, 2015 it was brought to my attention that two donations to my 2014 campaign may have been ineligible.

Upon further investigation, it was found that the contribution from Riverstone Bridlewood LP was a cheque printing error on their part. The cheque was actually drawn on their Riverstone Bridlewood Incorporated account. A letter to that effect from the company is attached to be added to my audited filing.

With respect to the contribution from Walton LP, further investigation has confirmed that the cheque was issued from their LP account in error. The attached letter from Walton Inc. apologizes for the error and offers to reissue the cheque from their correct account if required.

To err on the side of caution and as documented in the attached copies, I have sent by registered mail, a personal cheque returning the Walton LP contribution.

Please advise if you require or recommend any further action on my part or on the part of either contributor to ensure my campaign record remains in good standing.

Respectfully

Dear Mr. Hubley,

It has come to our attention a donation was made via check from Riverstone Bridlewood LP.

We have reviewed our files and discovered an error in the check printing and the check was actually drawn from Riverstone Bridlewood Inc., a corporation in Ontario.

We apologize for the error and any problems it may cause. If you require we can provide the proof that the bank account is in fact registered to Riverstone Bridlewood Inc. if required.

Attn: Councillor Allan Hubley

Dear Mr. Hubley,

Further to our conversation of March 26, 2015, we want to provide additional clarity on the campaign contribution from the Walton Group of Companies (“Walton”). It is our understanding that our October 2014 campaign contribution was properly issued by Walton International Group Inc. since it was carrying on business in Ontario within the meaning of the Municipal Elections Act, 1996 (Ontario) and consistent with our internal contribution protocols.

While Walton International Group Inc. is an Alberta corporation, it is extra-provincially registered in Ontario and carried on business in Ontario at the time that the contribution was made. Walton’s office at Suite 100, 20 Carlson Court, Toronto, Ontario, M9W 7K6, is shared by employees for Walton International Group Inc. and Walton Development and Management (Ontario) LP by its general partner Walton Development and Management (Ontario) GP Ltd. However, all Walton accounting services for Canada are provided by staff in Walton’s office in Calgary Alberta.

We sincerely apologize for any confusion or issue our miscommunication has caused. We would be pleased to reissue any contributions if and as necessary. If you have any questions or additional information is required, please contact the undersigned at your convenience.

Yours truly,
