

## Is your child passenger secured?

### What every parent in Ottawa needs to know...

- 1) Most child passengers in Ottawa are not properly secured in vehicles.
- 2) Motor vehicle collisions are the number one cause of death for children in Canada.
- 3) It's the law. Drivers have to make sure that their passengers under 16 years old are properly secured.

### Think A1Secure for every car ride...

**A**rmpit level for harness chest clip.

**1** finger space only between harness straps and the child's chest.

**Secure** car seat to vehicle according to the car seat's user guide.

**For more information, visit: [www.A1Secure.ca](http://www.A1Secure.ca)**

**or call Ottawa Public Health Information: 613-580-6744.**

## Ma la sugay amaanka cunugaada rakaabka ah?

### Waxa waalid kasta oo ku sugan Ottawa looga baahan yahay in uu ogaado...

- 1) Inta badan, sida ku habboon looma sugo amaanka rakaabka caruurta Ottawa.
- 2) Shilalka baabuurta waa sababta kowaad ay u dhintaan caruurta Kanada.
- 3) Waa sharciga. Wadayaasha baabuurta waa in ay habsadaan in si habboon loo sugo amaanka rakaabka ka yar 16 sanno.

### Ku fikir A1 Secure mar kasta oo aad baabuur raacdid...

Biinka suunka xabadka waa in uu la sinaado shakfasha.

1 far keliya waa in ay ka banaan tahay inta u dhexeyso suumanka celiyaha iyo xabadka cunugga.

Waa in aad kursiga baabuurka ku xertid baabuurka sida waafaqsan tilmaamaha isticmaalaha kursiga baabuurka.
