

Take your Bike TO THE

BALL GAME

Here's how you can reach
Raymond Chabot Grant Thornton Park
from popular near-by bike routes:

Ample bike parking is available under the north end of the Coventry Pedestrian and Cycling Bridge.

Consider combining a bike ride with a bus ride to get to the park by taking your bike on an OC Transpo bus equipped with 'Rack and Roll' to Train or Hurdman stations – only a few minutes ride away from the ball park along off-road pathways."
