## **Independent Auditors' Report**

Municipal Elections Act, 1996 (Section 88.25)

To Nour Kadri, Chief Financial Officer of the Nour Kadri Election Campaign

We have audited the Statement of Campaign Income and Expenses, and the Statement of Calculation of Surplus or Deficit (Form 4) of Nour Kadri, Candidate, for the campaign period from August 02, 2022, to June 30, 2023, for the Municipal Election of the City of Ottawa, Ontario. The statements have been prepared by management, based on the accounting treatment provided by the Municipal Election Act, 1996.

### **Management's Responsibility**

Our responsibility is to express an opinion on these statements based on our audit. Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the campaign statements. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to management's preparation and fair presentation of the statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the campaign's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

L5M6W2

#### Basis for Qualified Opinion

Due to nature of the types of transactions inherent in the election campaign, it is impractical through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, our verification of these transactions was limited to ensuring that the statements reflect the amounts recorded in the accounting records of Nour Kadri, Candidate, in accordance with the accounting procedures established by the Municipal Elections Act, 1996 and we were not able to determine whether any adjustments might be necessary to income and expenses, and surplus or deficit.

#### Qualified Opinion

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessarily had we been able to satisfy ourselves concerning the completeness of the records as described in the preceding paragraph, the Form 4 presents fairly, in all material respects, the income and expenses for the campaign period from August 02, 2022 to June 30, 2023 and the determination of surplus or deficit in accordance with the accounting treatment provided by the Municipal Election Act, 1996.

#### Other Matter

This report is provided solely for the purpose of assisting the City of Ottawa in discharging its responsibilities and should not be referred to or used for any other purpose.
