Campaign financial statements shall also be made available by the clerk in an electronic format free of charge upon request.

## Independent Auditor's Report

To: City Clerk, Ottawa Elections Office

Re: **Daniel Stringer** Municipal Election Campaign

### Report on the Return

#### Qualified Opinion

We have audited the accompanying supplemental Financial Statement – Auditor's Report Candidate – Form 4 ("*Form 4*") of the **Daniel Stringer** (the "*candidate*") election campaign in the municipality of Ottawa, which comprise the Statement of Campaign Income and Expenses for the campaign period **May 11, 2022, to June 30, 2023**. *Form 4* has been prepared by the candidate based on the financial reporting provisions outlined in the Municipal Election Guide provided by the Ministry of Municipal Affairs and Housing (the "*Ministry*") and the Municipal Elections Act, 1996 (the "*Act*").

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying *Form 4* presents fairly, in all material respects, the Statement of Income and Expenses of the candidate election campaign for the campaign period **May 11, 2022, to June 30, 2023**, and the results of its operations for the campaign period then ended in accordance with the financial reporting provisions of Section 88.25 of the *Act* and City of Ottawa By-Law No.2022-76

#### Basis for Qualified Opinion

Due to the inherent nature of the transactions of electoral campaigns, the completeness of contributions, loans and loan guarantees and other revenue and expenses is not susceptible of satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the campaign's accounting records and we were not able to determine whether any adjustments might be necessary to contributions, loans and loan guarantees and other revenue and expenses.

We conducted the audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Return section of the report. We are independent of the candidate in accordance with the ethical requirements that are relevant to our audit of the Return in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### Emphasis of Matter — Basis of Accounting and Restriction on Use

The financial statements are prepared to assist the candidate to comply with the financial reporting provisions of Section 88.25 of the *Act* and City of Ottawa By-Law No.2022-76. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the City Clerk and Solicitor of the City of Ottawa and should not be used by parties other than the candidate and the *Ministry*. Our opinion is not modified in respect of this matter.

## **Responsibilities of the Candidate and Those Charged with Governance for *Form 4***

The candidate is responsible for the preparation and fair presentation of *Form 4* as outlined in the Municipal Election Guide provided by the *Ministry* and the *Act* and for such internal control as the candidate determines is necessary to enable the preparation of *Form 4* that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the campaign's financial reporting process.

## **Auditors' Responsibilities for the Audit of *Form 4***

Our objectives are to obtain reasonable assurance about whether *Form 4* is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of *Form 4*. As part of an audit in accordance with Canadian generally accepted audit standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of *Form 4*, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the campaign's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the candidate.
- Evaluate the overall presentation, structure, and content of *Form 4*, including the disclosures, and whether *Form 4* represents the underlying transactions and events in a matter that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Elections Ottawa and

The Ontario Ministry of Municipal Affairs and Housing,

The absurd distinction, that the audit and administrative election fees of a municipal candidate count against the candidate's personal contribution limit, but not against the campaign's total spending limits, is illogical and unfair. This is what disqualifies someone from running for public office! What is our city's democracy coming to?

I am outraged that more powerful, party-affiliated federal and provincial candidates are free from this expensive, mind-boggling rule, but neighbourhood municipal folks are not. This inexplicable distinction discriminates against frugal individuals who do not have a large donor base. It might be viewed as unfortunate but unavoidable if it were not for the fact that provincial MPPs have protected themselves from its unreasonable consequences but insist on it being forced upon small, independent candidates in local elections who simply try to make city government work.

Such a breach of natural justice puts a dangerous chill on local democracy and citizen participation for community-based candidates and marginalized or racialized groups, not vastly connected by an organized political machine, and I object.
