Re: RFP for the Ottawa Light Rail Transit Project
Sign Off for Technical Evaluation Team

We are the members of the Technical Evaluation Team as specified in the “Ottawa Light Rail Transit Project – Framework to Evaluate Responses to Request for Proposals” (“Evaluation Framework”). Please refer to the Evaluation Framework for the definition of all capitalized terms that are not specifically defined within this letter.

We have undertaken our responsibilities in accordance with the RFP and the Evaluation Framework. On that basis, we have reached consensus as to the findings made in the attached evaluation Worksheets.

A summary of the scores assigned to each Proponent’s Technical Submission is provided below:

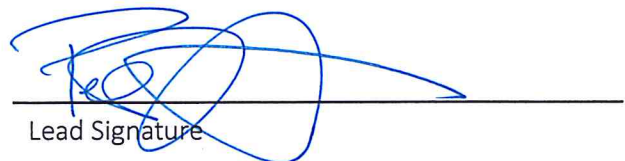

Proponent	Technical Score (%)
Trillium Link	84.94%
Trillium Extension Alliance	84.03%
TransitNEXT	63.61%

Sincerely yours,

Technical Evaluation Team
