

Ottawa Pedestrian Plan (Final Report June 2009)

Acknowledgements

The Ottawa Pedestrian Plan is the product of hard work by many people. This plan was developed by City of Ottawa staff and a Consultant Team and was shaped by all those who participated in its creation.

The Consultant Study Team would like to thank the City of Ottawa for the opportunity to prepare the Ottawa Pedestrian Plan, and extend our appreciation to members of the Staff Project Team, The Technical Advisory Committee and the Public Advisory Committee for their contributions throughout the study. We would also like to thank the members of the public who gave their time and energy in the development of this plan, especially those who participated in the public meetings and workshops, and the many others who provided written and verbal input to the Study Team.
