

Part 12 – Transportation Zones (Sections 207-210)

This part contains the transportation zones that apply to the urban and suburban areas of the City and includes the T1- Air Transportation Facility (airports) and T2- Ground Transportation Facility Zones (bus and train terminals).

The City of Ottawa Zoning By-law is made available on the web site for information, however confirmation on the zoning provisions should be sought through the City’s development information officers (DIO), by contacting 311 and asking for the DIO for the geographic area in question.

T1 – Air Transportation Facility Zone (Sections 207-208)

Purpose of the Zone

The purpose of the T1-Air Transportation Facility Zone is to:

- (1) permit air transportation facilities and aviation-related uses in areas designated as **Ottawa Macdonald-Cartier International Airport** and **Carp Airport** in the Official Plan, and
