## Inquiries

If you have questions about eligibility, site selection, or the application process:

Email: [communitygardens@ottawa.ca](mailto:communitygardens@ottawa.ca)

Website: [ottawa.ca/gardens](http://ottawa.ca/gardens)

## General Information

We invite local incorporated or unincorporated community groups to apply to establish, expand or modify a community-led greening and gardening initiatives on City-owned land within the City of Ottawa.

We welcome projects that seek to contribute positively to public space, support environmental stewardship, enhance neighbourhood livability, promote access to healthy, affordable food options, and provide opportunities for residents to gather, grow, learn, and connect with nature.

## Before You Begin

To ensure applications are successful, applicants are encouraged to carefully review all information tabs in reference to [ottawa.ca/gardens](http://ottawa.ca/gardens) and review all information details before starting their application.

Additional stipulations include:

- If a garden or greening initiative already exists on a property, whether for food production, pollinator support, or another type of greening project, no other organization may apply to start a similar project on that same property.
- Organizations currently managing a community-led garden or greening initiative on a property may apply to expand, enhance, or update their existing project at that same location.
- If your organization wishes to apply for multiple properties, simply submit a separate application for each community-led greening or gardening project.

Before applying, please review the three documents found on Ottawa.ca under the [ottawa.ca/gardens](http://ottawa.ca/gardens) webpage:

1. **How to Complete the Application Guide**
2. **Supplemental Application** (required only during Phase Two)
3. **Community-led Greening Initiatives and Gardening Program Standards**
