Private Swim Lessons

Private swim lessons are available and are designed to assist Children, Youth and Adults to overcome a fear of the water or master a skill. A certified instructor will work on a one-to-one basis. For detailed information, contact the aquatic centre of your choice.

Level Assessment

Unsure of what level to register for? Just drop in to any of our public swims and ask the Program Supervisor to assess you or your child. He/she can tell you exactly which swimming level will best suit your abilities.

Low Ratio Classes

These are programs with approximately half the number of participants of our regular classes. Each participant receives more individual attention and more of an opportunity to practice their skills.
