

**Minor adjustments have been made to the maps presented in the Options Report that accompanied the July 7, 2020 Finance and Economic Development Committee and July 15, 2020 City Council agendas, as described below.**

**These changes have been incorporated in the final PDF maps and geoOttawa map.**

## Map/Table Adjustments – Options 1 - 5

### Option 1:

- The southern boundary between W1-10 and W1-2 is Terry Fox (p. 7 of App. A)
- The label 'Hazeldean' should be deleted on the boundary between W1-3 and W1-2 (p. 9 of App. A)

### Option 2:

- The southern boundary between W2-10 and W2-2 is Terry Fox (p. 16 of App. A)
- The label 'Hazeldean' should be deleted on the boundary between W2-3 and W2-2 (p. 17 of App. A)

### Option 3:

- The southern boundary between W3-10 and W3-2 is Terry Fox (p. 25 of App. A)
- The label 'Hazeldean' should be deleted on the boundary between W3-3 and W3-2 (p. 27 of App. A)
- The boundary between W3-19 and W3-18 is Lyon, not LeBreton (p. 23 of App. A)
- The southern boundary of W3-14 are the railway tracks (not Walkley); the northern boundary of W3-14 is Industrial Road across to Innes (not Smyth) (p. 23 of App. A)
- The Population and Variance Table has been adjusted to reflect the proper alignment of W3-14 (attached)

### Option 4:

- The southern boundary between W4-10 and W4-2 is Terry Fox (p. 34 of App. A)
- The label 'Hazeldean' should be deleted on the boundary between W4-3 and W4-2 (p. 36 of App. A)
- The boundary between W4-19 and W4-18 is Lyon, not LeBreton (p. 32 of App. A)
- The northern boundary of W4-14 is Highway 417 (not Smyth) (p. 32 of App. A)

### Option 5:

- The boundary between W5-6 and W5-5 is Longfields (Jockvale was mislabeled) (p. 43 of App. A)
- The western boundary of W5-14 is Sherbourne north to Richmond, west on Richmond to Woodroffe and north to the Ottawa River
