Independent Auditors' Report

To: Bob Monette
Candidate of the Ottawa Municipality

I have audited the accompanying Candidate Campaign Financial Statements of Bob Monette, **Candidate** which comprise the statement of assets and liabilities, the statement of campaign period income and expenses, and the statement of determination of surplus or deficit and disposition of surplus, for the campaign period from May 1, 2018 to December 31, 2018.

Management's Responsibility for the Financial Statements

Bob Monette is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the

appropriateness of accounting policies used and the reasonableness of accounting estimates made by the candidate, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements.

Accordingly, my verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Bob Monette, candidate, in accordance with the accounting procedures established by the **Municipal Elections Act**, and I was able to determine whether any adjustments might be necessary to income and expenses, assets or liabilities, and surplus/deficit.

Opinion

In my opinion, except for the effect of adjustments, if any, which I might have determined to be necessary had I been able to satisfy myself as to the completeness of the records as described in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the candidate's campaign as at December 31, 2018 and the income and expenses for the campaign period from May 1, 2018 to December 31, 2018 and the determination of surplus or deficit and the disposition of surplus for the year then ended in accordance with Canadian generally accepted accounting principles.
