Table Notes:

¹ On-street bus stops shall be provided with a standard 5' x 10' shelter. On arterial corridors, a curved roof shelter is required.

² Passenger Information Display infrastructure shall be moved by OC Transpo at no cost to DB Co, however DB Co shall provide the ducts/feeds to the bus stops at cost to DB Co

³ As per OC Transpo Transitway and Station Design Guidelines

⁴ Weather protection for customers at LRT Stations described in Schedule 15-2 Part 4

⁵ Provide power and communications for future PIDS

⁶ Existing condition, maintain existing facilities and functions

⁷ Note The flag shall be located 20m from the nearest crosswalk, or from the point at which the curb becomes tangent (whichever requires the stop to be further downstream)

⁸ These bus stops are only required if the walking distance from the left-in/right-out PPUDO to the entrance of Moodie Station is greater than 200m. In the event that the distance is less than 200m, the bus stop shall not be required.
