

ACTIVITY BOOK

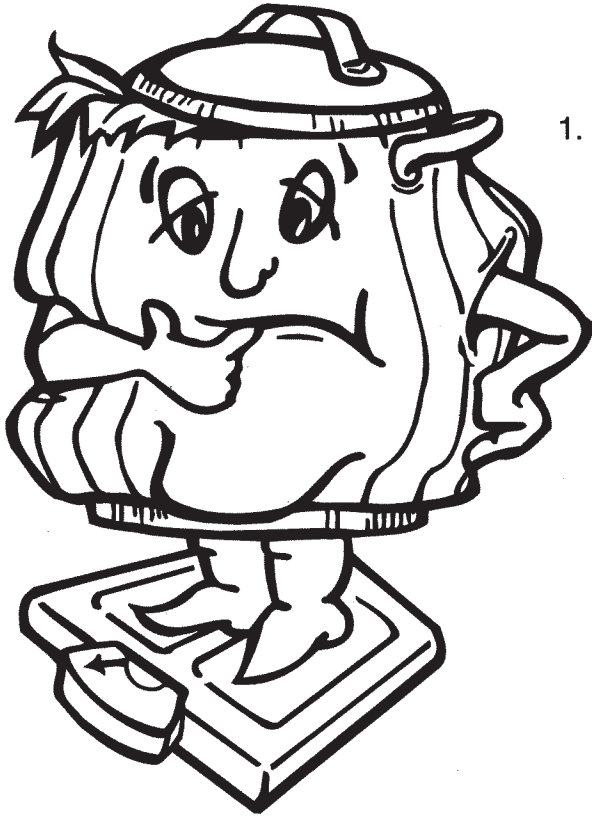

All about

RECYCLING

Waste reduction begins at home!

Do you know the 3Rs? Put the letters in their correct order to find out!

1. C U R D E E

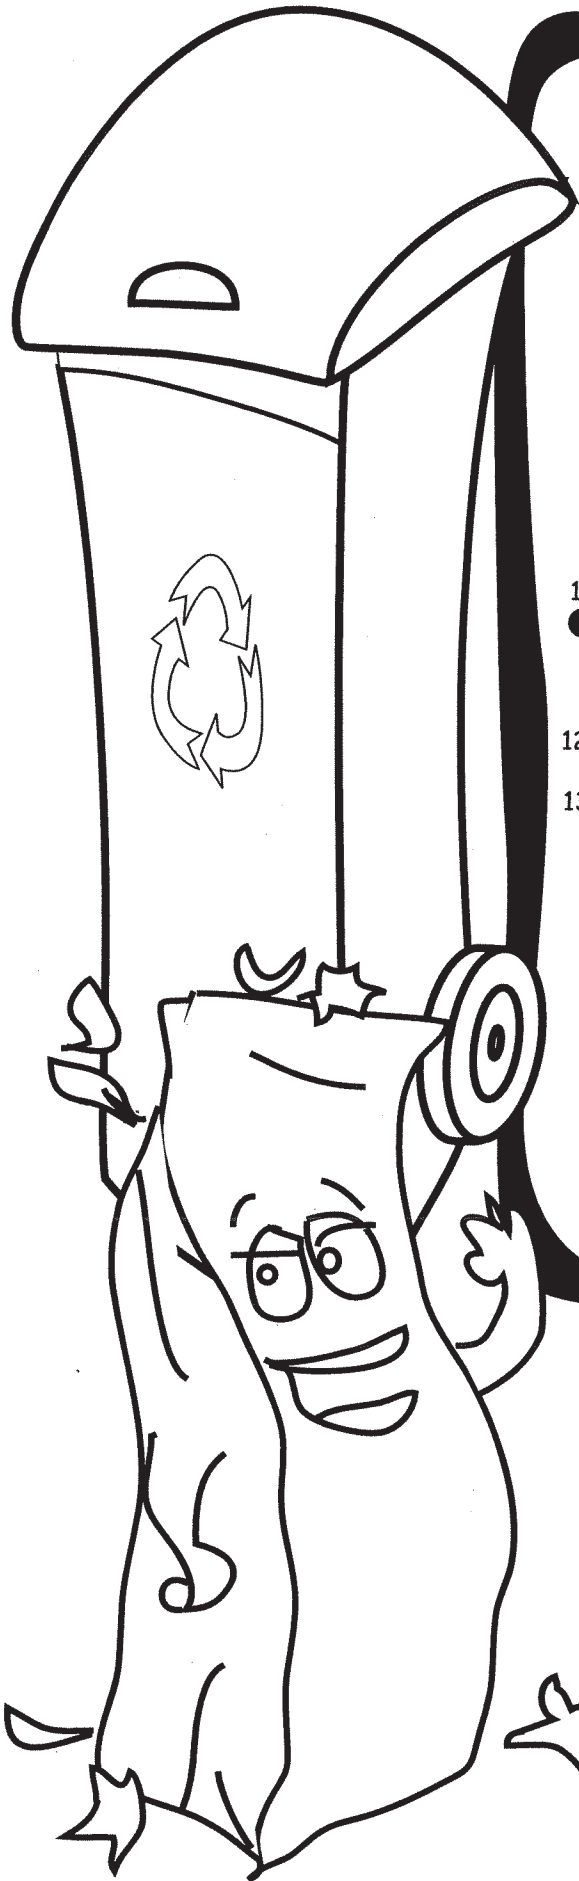

2. E S U R E

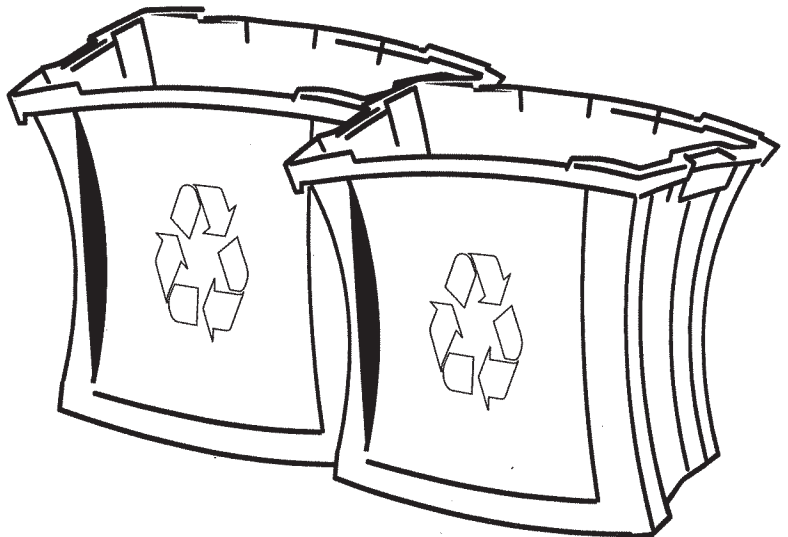

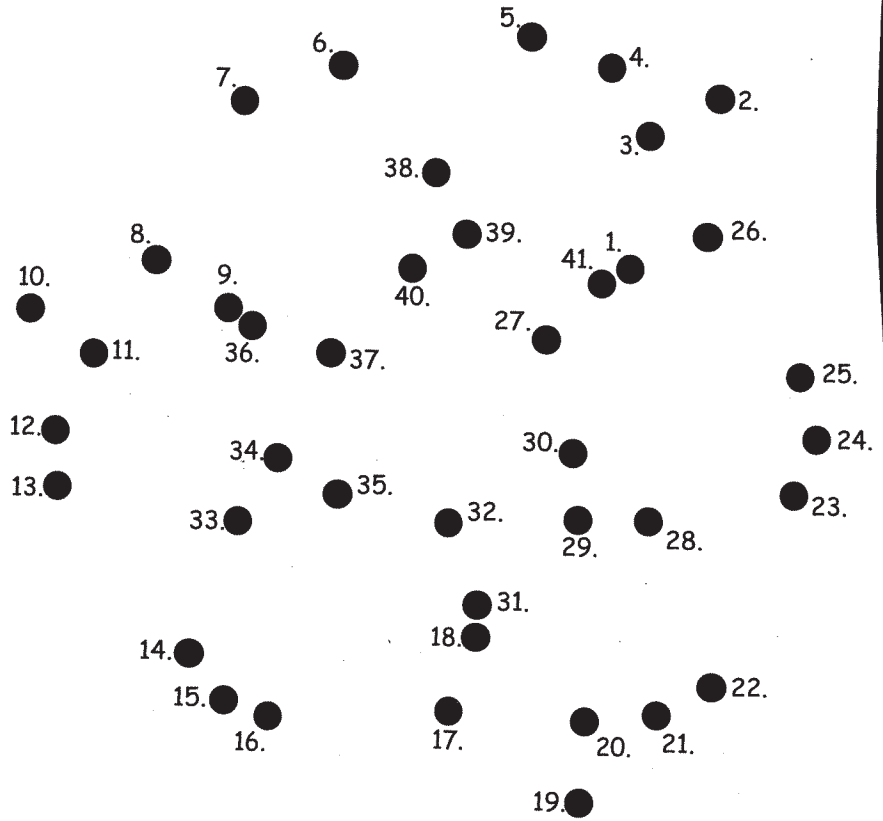

3. C E L R Y C E

For solutions, see back page

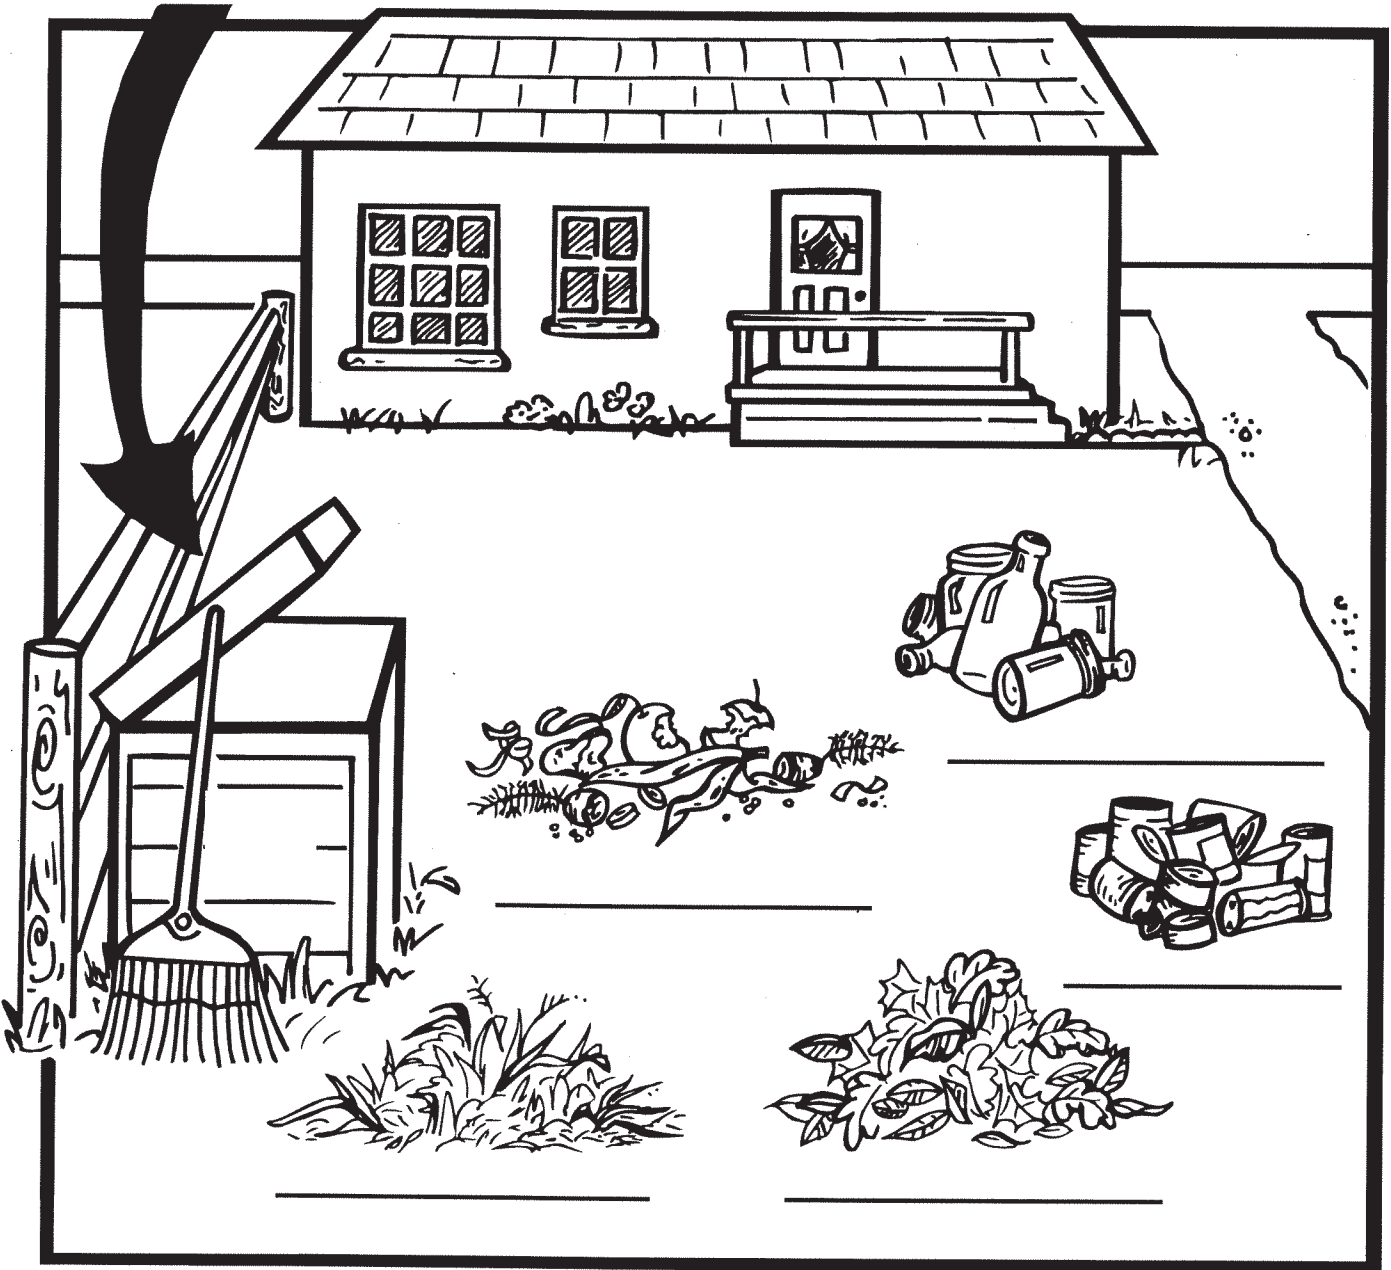

Connect the dots!

Connect the dots and a familiar image will appear!

What goes into your backyard composter? Name all these items.
 Draw a circle around the items which can be composted. Draw a box around the items which can be recycled.

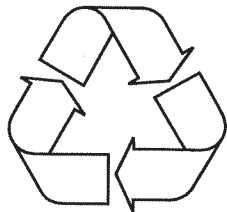

Solutions :

Page 2

1. REDUCE
2. REUSE
3. RECYCLE

Page 3

Page 4

Grass clippings, food scraps and leaves can all be composted. Glass bottles and tin cans can be recycled.

Printed on 100% recycled paper with de-inked fiber.
