Group A

Transportation
- Cycling/walking connections through greenspace

Residential
- Low and medium density near schools
- Medium density near Greenbank, access to parks
- High density near transportation
- Keep various densities separate

Commercial
- Small commercial (no chains)

Parks, Schools and Amenities
- Keep woodlots
- Big central park
- Dog park
- Schools should be near each other, near the south
- Wet ponds bring wildlife
- Library access for other neighbourhoods
- Senior Center needed in Barrhaven
- Very positive view of wet ponds
