2018 Municipal Elections – Registered Third Parties Compliance with Filing Requirements

In accordance with section 88.29 of the *Municipal Elections Act, 1996* (the “MEA”), all registered third party advertisers must file a financial statement (*Financial Statement - Auditor's Report - Third Party (Form 8)*), even if they did not raise or spend any money.

Pursuant to subsection 88.29(11) of the MEA, this report sets out a list of all registered third parties for the 2018 Municipal Elections and indicates whether each has filed a financial statement and auditor’s report under subsection 88.29(1).

Registered third parties (the individual, corporation or trade union) that failed to file a financial statement and auditor’s report by March 29, 2019 (or by 2 p.m. on April 29, 2019, the day that is 30 days after the applicable day for filing the documents) are not entitled to register in relation to a subsequent election in the municipality until after the next regular election has taken place.

Set out below in Appendix “A” a list of all registered third parties for the 2018 Municipal Elections.
