

**Prologue ..... Prologue-1**

**Section 1 - Introduction ..... 1-1**

Section 1 — Introduction.....	1-1
1.1 – The Role of the Official Plan .....	1-1
1.2 – Structure of the Official Plan .....	1-3
1.3 – The Ottawa 20/20 Process and the Guiding Principles .....	1-3
1.4 – Ottawa’s Growth Management Plans .....	1-5
1.5 – Supporting Plans.....	1-7
1.6 – How the Guiding Principles are Addressed in the Official Plan .....	1-9
1.7 – Interpretation and Implementation of the Official Plan.....	1-11

**Section 2 – Strategic Directions .....2-1**

Section 2 - Strategic Directions.....	2-1
2.1 – The Challenge Ahead .....	2-1
2.2 – Managing Growth.....	2-5
2.2.1 – Urban Area and Village Boundaries .....	2-5
2.2.2– Managing Growth Within the Urban Area.....	2-8
2.3 – Providing Infrastructure .....	2-17
2.3.1 – Transportation .....	2-17
2.3.2 – Water and Wastewater Services .....	2-25
2.3.3 – Drainage and Stormwater Management Services .....	2-29
2.4 – Maintaining Environmental Integrity.....	2-31
2.4.1 – Air Quality and Climate Change .....	2-32
2.4.2 – Natural Features and Functions .....	2-32
2.4.3 – Watershed and Subwatershed Plans .....	2-33
2.4.4 – Groundwater Management.....	2-35
2.4.5 – Greenspaces .....	2-36
2.5 – Building Liveable Communities.....	2-41
2.5.1 – Urban Design and Compatibility .....	2-41
2.5.2 – Affordable Housing .....	2-48
2.5.3 – Schools and Community Facilities .....	2-49
2.5.4 – A Strategy for Parks and Leisure Areas.....	2-50
2.5.5 – Cultural Heritage Resources .....	2-51
2.5.6 – Collaborative Community Building and Community Design Plans.....	2-55

**Section 3 – Designations and Land Use .....3-1**

Section 3 – Designations and Land Use.....	3-1
3.1 – Generally Permitted Uses .....	3-1
3.2 – Natural Environment .....	3-5
3.2.1 – Significant Wetlands South and East of the Canadian Shield.....	3-5
3.2.2 – Natural Environment Areas .....	3-6
3.2.3 – Urban Natural Features .....	3-8
3.2.4 – Rural Natural Features .....	3-9
3.3 – Open Space .....	3-10
3.3.1 – Major Open Space.....	3-10
3.4 – Central Experimental Farm .....	3-11
3.4.1 – Agricultural Research .....	3-11
3.5 – Greenbelt .....	3-11

3.5.1 – Greenbelt Rural .....	3-12
3.5.2 – Greenbelt Employment and Institutional Area .....	3-12
3.6 – Urban Designations.....	3-13
3.6.1 – General Urban Area .....	3-13
3.6.2 – Mixed-Use Centres.....	3-15
3.6.3 – Mainstreets .....	3-18
3.6.4 – Developing Community .....	3-22
3.6.5 – Employment Area and Enterprise Area.....	3-24
3.6.6 – Central Area .....	3-28
3.6.7 – Major Urban Facilities.....	3-34
3.7 – Rural Designations.....	3-37
3.7.1 – Villages .....	3-37
3.7.2 – General Rural Area.....	3-40
3.7.3 – Agricultural Resources .....	3-47
3.7.4 – Mineral Resources.....	3-52
3.7.5 – Carp Road Corridor Rural Employment Area.....	3-56
3.8 – Solid Waste Disposal Sites .....	3-57
3.9 – Snow Disposal Facilities .....	3-58
3.10 – Airports.....	3-59
3.10.1 – Ottawa Macdonald-Cartier International Airport.....	3-59
3.10.2 – Carp Airport .....	3-61
3.11 – Urban Expansion Study Area.....	3-61
3.12 – Development Community (Expansion Area).....	3-62

**Section 4 – Review of Development Applications ..... 4-1**

Section 4 – Review of Development Applications .....	4-1
4.1 – Site-Specific Policies and Secondary Policy Plans.....	4-2
4.2 – Adjacent to Land-Use Designations.....	4-3
4.3 – Walking, Cycling, Transit, Roads and Parking Lots.....	4-4
4.4 – Water and Wastewater Servicing.....	4-6
4.4.1 – Servicing in Public Service Area .....	4-7
4.4.2 – Private Water and Wastewater Servicing.....	4-8
4.5 – Housing .....	4-10
4.6 – Cultural Heritage Resources.....	4-11
4.6.1 – Heritage Buildings and Areas.....	4-11
4.6.2 – Archaeological Resources.....	4-14
4.6.3 – River and Canal Corridors .....	4-15
4.6.4 – Scenic-Entry Routes.....	4-17
4.6.5 – Multi-Use Pathways.....	4-18
4.7 – Environmental Protection.....	4-19
4.7.1 – Integrated Environmental Review to Assess Development Applications.....	4-20
4.7.2 – Protection of Vegetation Cover .....	4-21
4.7.3 – Erosion Prevention and Protection of Surface Water.....	4-22
4.7.4 – Protection of Endangered and Threatened Species .....	4-24
4.7.5 – Protection of Groundwater Resources .....	4-25
4.7.6 – Stormwater Management .....	4-26
4.7.7 – Landform Features .....	4-27
4.7.8 – Environmental Impact Statement .....	4-27
4.8 – Protection of Health and Safety .....	4-29
4.8.1 – Flood Plains .....	4-30
4.8.2 – Wellhead Protection .....	4-32
4.8.3 – Unstable Soils or Bedrock.....	4-32
4.8.4 – Contaminated Sites .....	4-33

4.8.5 – Former Landfill Sites.....	4-34
4.8.6 – Mine Hazards and Abandoned Pits and Quarries.....	4-35
4.8.7 – Land-Use Constraints Due to Airport and Aircraft Operations .....	4-35
4.8.8 – Environmental Noise Control.....	4-40
4.8.9 – Personal Security .....	4-44
4.9 – Energy Conservation Through Design.....	4-45
4.10 – Greenspace Requirements – .....	4-46
4.11 – Urban Design and Compatibility .....	4-48

**Section 5 - Implementation ..... 5-1**

Section 5 – Implementation.....	5-1
5.1 – Introduction .....	5-1
5.2 – Implementation Mechanisms, by Authority under the Planning Act .....	5-3
5.2.1 – General.....	5-3
5.2.2 – Amendments to the Official Plan .....	5-6
5.2.3 – Public Notification .....	5-6
5.2.4 – Committee of Adjustment .....	5-7
5.2.5 – Community Improvement .....	5-7
5.2.6- Pre-Application Consultation and Prescribed Information for Planning Applications –.....	5-10
5.3 – Other Implementation Policies .....	5-12
5.4 – Interpretation .....	5-14
5.5 – Monitoring and Measuring Performance.....	5-16
5.6 Algonquin Aboriginal Interests .....	5-17

**Section 6 - Schedules ..... 6-1**

Schedule A – Rural Policy Plan
Schedule B – Urban Policy Plan
Schedule C – Primary Urban Cycling Transportation Network
Schedule D – Primary Transit Network
Schedule E – Urban Road Network
Schedule F – Central Area/Inner City Road Network
Schedule G – Rural Road Network
Schedule H – Road Network – Select Villages
Schedule I – Major Recreational Pathways and Scenic/Entry Routes – Urban
Schedule J – Major Recreational Pathways and Scenic/Entry Routes – Rural
Schedule K – Environmental Constraints
Schedule L – Design Control Areas

**Section 7 - Annexes ..... 7-1**

Annex 1- Road Classification and Rights-of-Way Protection
1.0 – Classification Summary
2.0 Rights-of-Way Protection Requirements
Table 1- Road of Right-of-Way Protection
Annex 2 – Watershed and Subwatershed Plans
Annex 3 – Design Framework
Annex 4 – Heritage Conservation Districts
Annex 5 – Urban – Areas Subject to a Community Design Plan or Policy Plan
Annex 6 – Secondary Plans and Site-Specific Policies
Annex 7 – Rural, Village Plans
Annex 8A – Central Area Key Viewpoints of the Parliament Buildings and Other National Symbols
Annex 8B – Central Area Maximum Building Heights/Angular Planes

- Annex 8C – LeBreton Flats Foreground View Control Planes
- Annex 8D – Central Area Maximum Building Heights
- Annex 9 – Central Area Gateways, Nodes and Distinctive Streets
- Annex 10 – Land Use Constraints Due to Aircraft Noise
- Annex 11 – Downtown Ottawa Urban Design Strategy, Targeted Strategies
- Annex 12- Viewshed Area of the Parliament Buildings from Beechwood Cemetary
- Annex 13– Official Plan Amendments

**Section 8 - Glossary.....8-1**
