Note:
1. This schedule forms part of the Transportation Master Plan of the City of Ottawa and must be read in conjunction with the text.
2. This schedule is intended as a framework for planning and design; consequently, alignments of proposed corridors are approximate and subject to detailed study. Locations shown are approximate for most of the not yet built future transit stations, parks and ride lots and potential park and ride facilities. The Plan will be periodically updated to reflect changes in the detailed location on certain facilities.
3. City requirements for future transit stations and park and ride facilities are subject to the availability of funds. The locations shown in the Plan may be subject to change.
4. The City is committed to potential long-term public transit improvements, shall protect rapid transit corridors beyond those shown in this schedule to avoid encroachment by the plan itself, and may also protect other rapid transit corridors.
