

Part 7 – Institutional Zones (Sections 169-172)

This part contains the institutional zones that are applied to the urban and suburban areas of the City, and includes the I1-Minor Institutional Zone (e.g. schools and places of worship) and the Major Institutional Zone (e.g. universities, colleges and hospitals).

The City of Ottawa Zoning By-law is made available on the web site for information, however confirmation on the zoning provisions should be sought through the City's development information officers (DIO), by contacting 311 and asking for the DIO for the geographic area in question.

I1 - Minor Institutional Zone (Sections 169-170)

Purpose of the Zone

The purpose of the I1-Minor Institutional Zone is to:

- (1) *permit a range of community uses, institutional accommodation and emergency service uses to locate in areas designated as **General Urban Area** or **Central Area** in the Official Plan; and*
- (2) *minimize the impact of these minor institutional uses located in close proximity to residential uses by ensuring that the such uses are of a scale and intensity that is compatible with neighbourhood character.*
