## **Registered third party advertiser compliance report for the 2022 Municipal Elections**

Pursuant to Subsection 88.29(11) of the *Municipal Elections Act, 1996* (the “MEA”), the Registered Third Party Advertiser Compliance Report, attached as Appendix A, sets out all the registered third party advertisers in the 2022 Municipal Elections and indicates whether each has complied with the filing requirements of Section 88.29 of the MEA.

In accordance with Section 88.29 of the MEA, all registered third party advertisers, including those who later withdrew their registration, must disclose and report any contributions and expenses during their campaign period by filing a financial statement.

Registered third parties (the individual, corporation or trade union) that failed to file a financial statement and auditor’s report (if applicable) by the relevant filing deadlines are deemed to be in default. For the 2022 Municipal Elections, the deadline to file an initial financial statement was Friday, March 31, 2023, at 2 pm, and the deadline to file an initial financial statement during the 30-day grace period was Monday, May 1, 2023, at 2 pm.

In accordance with Subsection 88.23(2), and any other penalty that may be imposed under the MEA, registered third parties who are deemed to be in default are not entitled to register in relation to a subsequent election in the municipality until after the 2026 Municipal Elections.
